

# PAOLO SIRO BORGATO

DIRECTOR OF  
PHOTOGRAPHY

## PROFILE

Born in 1989, I always been passionate about art and literature. I have been studying film and photography for years trying to hone my skills in these fields.

Since 2016, I have been attending courses related to filmmaking, both theoretical and practical. In total, I have participated in the making of 15 projects in different roles, most frequently as director, director of photography and as camera operator.
